Check-in & Check-out procedure

Upon check-in, guests will be expected to settle payment before proceeding to the campsite for a brief orientation. Before check-out, an inspection of the campsite will be carried out.

Equipment failure

In the event that any equipment fails, becomes unsafe or needs repairs, you are required to discontinue use and notify management immediately.

Sanitation

Here at PEG, we practice separation of garbage for recycling. Please use the designated bins provided. The campsite has two compost toilets that require specific user practices. These are clearly outlined on the inside of each toilet door.

Fire

Campfires are permitted in designated areas only. It is the responsibility of the guests to carefully monitor fires at all times. Fire safety equipment is provided on site.

Visitors

Guests may invite visitors, but must notify management with names and expected time of arrival. Visitors are required to pay \$25 per person. If visitors wish to spend the night, they are required to pay \$30 per person.

Agreement

I, the UNDERSIGNED GUEST, agree to the above-mentioned policies and procedures.
